

Sixth Form Interest Applications

Hello,

If you or your child is interested in attending one of the sixth forms, you can register your interest using our form. This lets us know that you're interested and gives us time to see how many people want to come before we send out applications. This system is much easier and helps us massively by slowing down the amount we have to get through by a lot.

How to apply

To register your interest, you can do so by visiting <https://sixthformapplications.tagoa.uk>. This will give us basic information like your name and email address but also lets us know beforehand which sixth form you want to go for. While it benefits us to get it out of the way, it also benefits you as it speeds up the already quite lengthy application process.

We ask that you please register your interest between January-May of the year you wish to join sixth form (e.g 2024). Thank you.

Yours Sincerely,

Mr K BELL

Sixth Form and Work Experience Lead
