

# STAGES OF POOR ATTENDANCE

**100-97%**

*This is great, you're on track to getting the best outcome through your education.*

**96-90%**

*This is okay but you missed a few days off from school which could be damaging to your education if you miss too many.*

**89-80%**

*This is not okay, you will have missed more than two to three weeks off learning. This is serious as you may have to get additional support in lessons.*

**79-60%**

*This is serious. You could receive fines for poor attendance. You and your parent's will be called into a meeting with AHoY (Mrs Carmum or Mr Walker) to discuss why you aren't coming into school and figure out a solution as to how we can get you back in. We will support you through school and place you on an EBSA to further encourage any feelings you have to be shared with us.*
